Arenal Paraiso Resort offers 14 pools. The main "cool" pool is large and crossed by a scenic bridge. The other pools are **Hot Spring Mineral Water Pools**, one with a wet bar. This pool is perfect to relax in. Breakfast is included daily.

When you reach the clearing, you will be at the closest safe observation point. A drink will be provided and hopefully with a little cooperation from Mother Nature, you will have the opportunity to view lava spewing from the volcano.

After the hike, you will be brought to Baldi Hot Springs, where you will have the opportunity to relax and bathe in the geo-thermally heated hot springs pools and enjoy a buffet dinner.
